

OUR ENERGY POLICY

Our hotel considers our guests as the focal point, without compromising their comfort,

- We provide the necessary resources and information support to achieve our goals and energy targets.
- We comply with legal and other requirements regarding energy efficiency, use, and consumption.
- We work to continuously improve our energy performance and Energy Management System.
- We design and support the provision of all maintenance and services that impact energy performance.
- We guide our employees, guests, and suppliers on energy efficiency and efficient use.
